Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement (PS)	Iam	I'm trying to	But	Because	Which makes me feel
PS-1	Doctor	See hospital department cases	Wrong and misuse of data	Negligence of staff in hospital	Frustrated
PS-2	Patient	View my details	Missing of old data	Improper Maintenance	Frustrated
